

Regular bus fares are also cheaper for seniors!

Senior Citizens are important to Coast Transit Authority. That's why we offer discounted fares on our regular buses to all eligible senior citizens. You may purchase a Senior Monthly pass for \$32.00. Simply drop by our office at 333 Debuys Road in Gulfport and apply for a Senior Citizens' Transit ID. To qualify for the card, you must be age 60 or older. Your Medicare card also works.

The transit ID allows you to ride any regularly scheduled bus route at the reduced rate of .85 cents per fare zone... that's half off the regular fare.

To get a Senior Citizens' Transit ID, just show us proof of your age and your picture ID card any weekday between 9:00am and 4:00pm at the CTA office located at 333 Debuys Road in Gulfport. It is free to get the card.

Anyone who has reached the age of 90 qualifies for free transportation. There is no charge for this card and you can get it the same way as the Senior Citizens' ID. The card allows you to ride all CTA fixed routes for free.

If you present a valid Medicare Card to any CTA Driver, it will allow you to ride the Fixed Route buses at the reduced fare of .85 cents per fare zone.

Senior Citizens' Transportation

To get a reduced fare, you must show the driver your CTA Transit ID or Medicare Card each time you board the bus.

Getting home is easy!

We know you can't always predict when you're going to be finished at the doctor's office, that is why we are flexible with our return times.

From Monday through Friday we provide transportation between 10:00am and 2:00pm. All you have to do is call us by 1:45pm on those days, and we will come get you.

Be advised: If you can't complete your plans in time, you will have to find another way to get home.
