Coast Transit Authority ATTRACTIONS GUIDE

Welcome aboard Coast Transit Authority (CTA)!

We hope you enjoy your stay on the Mississippi Gulf Coast. Whether you're looking for shopping outlets, historical sites or family entertainment, our public transit fixed route buses and trolleys will get you there.

So, leave your car in the parking garage,* and step aboard. Use the numbered chart to set your sights on the Coast's many points of interest. Visit our small craft harbors and set sail for a fun day on the Gulf or rent a bike and enjoy the many trails and quaint downtowns our Coast has to offer.

Ready to experience the sun and the sand? The choices are endless. Let us transport you to the attraction of your choice. Thanks for choosing CTA!

Bike & Bus!

CTA invites you to bring along your bicycle and enjoy the ride. Our front-mounted bike racks are readily accessible on all of our fixed route buses. Bike & Bus combines the convenience of riding the bus with the enjoyment of cycling... and best of all, there's no additional charge.

Looking for your bus? CTA has a free mobile app that gives you the current routes and real-time arrival information on every bus. Use this convenient information to plan trips and stay ahead of schedule changes or service disruptions. Go to www.coasttransit.com for download instructions from your app store on CTA's latest app technology. Get a copy of the Riders' Guide for current schedules—available online, at transit centers, and on buses!
