Welcome Aboard,

We are here to provide you with good quality transportation services. We appreciate our customers. During this time of record high inflation, CTA is working hard to provide you with convenient, safe, and affordable transportation. We are constantly working to improve the quality of the bus ride experience. In February 2023, new Fixed Route buses are going into service on Route 4 - D'Iberville, Route 7 - Ocean Springs, and Route 38 - Gulfport.

We greatly appreciate our customers giving us the opportunity to serve them. Let us know how we can improve your riding experience. Follow these simple steps, and you will get where you are going easily, conveniently, and safely:

- We can help you plan your trip. Find out what bus you need to take by checking the routes in this brochure or by calling CTA's Information Line at 866-206-8843 during operating hours. Tell the Information Specialist where you are and where you want to go. The Information Specialist will give you complete instructions.
- Wait for the bus at the bus stop. CTA stops are identified by white bus stop signs with the CTA logo and phone number.
- CTA bus drivers try very hard to stay right on schedule, so get to your stop a few minutes early to make sure you don't miss the bus. Check to make sure you're getting on the right bus. Each CTA bus shows its destination and route number on signs above the front windshield and near the service door.
- Please have your money ready, enter the bus through the front door, and pay your fare in the farebox located at the top of the steps. You need to have the exact change or a pass and CTA ID card. CTA bus drivers do not make change. The farebox will take most coins and dollar bills. You can save yourself the trouble of carrying correct change by purchasing a daily, 3-day or 31-day pass. Bus passes are available on the bus (just ask your driver), at the CTA office, or at the transit centers.

Cómo Utilizar CTA

Siga estos pasos simples y llegará a donde quiere ir sin peligro, fácil y convenientemente:

- Podemos ayudarlo a planear su viaje. Averigüe que autobús necesita tomar chequeando la rutas en nuestro folleto o llamando a la Línea de información de CTA 866-206-8843 durante horas laborales. Dígale al Especialista en Información donde está y a donde quiere ir. El Especialista en Información le dará instrucciones detalladas.
- Espere por el autobús en la parada de autobús. Las paradas de CTA están identificadas por carteles blancos de parada de autobús con el logo de CTA y el número de teléfono.
- Los conductores de autobús de CTA intentaran todo lo posible por respetar los horarios, por lo tanto llegue a la parada unos minutos antes para asegurarse de no perder el autobús. Asegúrese que se está subiendo al autobús correcto y en dirección correcta. Cada autobús CTA exhibe su destino o número de ruta en carteles ubicados arriba del parabrisas delantero y cerca de la puerta de servicio.
- Por favor tener su dinero listo y suba al autobús por la puerta delantera y pague la tarifa en la caja de cobro ubicada al final de los escalones. Debe tener el cambio exacto o un pase y tarjeta ID CTA. Los conductores de autobús de CTA no dan cambio. La caja de cobro toma la mayoría de monedas y billetes de dólares. Puede ahorrarse la molestia de llevar el cambio exacto, comprando pases diarios, de 3 días o 31 días. Los pases están disponibles en el autobús, las oficinas de CTA o los centros de tránsito.

- Sit anywhere you like; however, seats near the front door are reserved for elderly and mobility-impaired passengers. You may carry on baby strollers, carts, and other small items... just make sure they don't block the aisle.
- When you get close to your destination, pull the stop cord or press the yellow tape above your head or between the windows. This lets the driver know you want to get off at the next stop. Remember that bus drivers can only stop at designated bus stops and where it is safe.
- Your CTA bus driver has the responsibility and authority to enforce CTA rules and policies. A copy of the CTA Passenger Conduct Rules is posted in every vehicle and at the CTA Transit Centers.
- Please report any disturbance or suspicious activity immediately to your bus driver.
- Service Animals accompanying people with disabilities are welcome at CTA. The owner is not required to show proof of certification of the animal. Contact the CTA office for a copy of the CTA Policy on Service Animals.
- Only small pets in protective carriers are allowed on CTA buses and facilities. Carriers cannot take up seats, seating areas or obstruct pathways on buses, or in stations and must be able to be carried on by a single person.

Cómo Utilizar CTA

- Siéntese donde desee, sin embargo, considere que los asientos cerca de la puerta delantera se reservan para personas de tercera edad y pasajeros con discapacidades físicas. Puede subir cochecitos de bebe, carritos y otros artículos pequeños; solo asegúrese que no bloqueen el pasillo.
- Cuando se este acercando a su destino, jale de la cuerda o presione la cinta amarilla que esta por encima de su cabeza o entre las ventanas. Esto le indica al conductor que usted se quiere bajar en la próxima parada. Recuerde que los conductores solo pueden parar en las paradas designadas y donde es seguro.
- Su conductor de CTA tiene la responsabilidad y autoridad de aplicar la normas y políticas de CTA. Una copia de las Normas de conducta del pasajero CTA se encuentra publicada en cada vehículo y en los Centros de tránsito de CTA.
- Puede denunciar cualquier altercado o actividad sospechosa a su conductor de autobús inmediatamente.
- CTA permite los animales de servicio que acompañan a personas discapacitadas. No se le requiere al dueño que muestre comprobante de certificación del animal. Comuníquese con las oficinas de CTA para obtener una copia de la política de CTA sobre animales de servicio.
- Solo se permiten pequeñas mascotas en transportín en los autobuses e instalaciones CTA. Estos transportines no pueden ocupar asientos, áreas para sentarse y tampoco pueden obstruir pasillos en los autobuses o estaciones y deben poder ser transportados por una sola persona.
